Press Release
BioMedix Vascular Solutions, Inc. Earns Certified Partner Status in Microsoft Partner Program
 04.06.10, 01:19 PM EDT

ST. PAUL, Minn., April 6
 /PRNewswire/ --**BioMedix**

Vascular Solutions, Inc. today

announced it has earned Certified Partner status in the Microsoft Partner Program, which recognizes **BioMedix Vascular Solutions, Inc.**'s expertise and impact in the technology marketplace. As a Certified Partner, **BioMedix Vascular Solutions, Inc.** has demonstrated expertise with **Microsoft** technologies and proven ability to meet customer needs. **Microsoft Certified Partners** receive a rich set of benefits, including access, training and support, giving them a competitive advantage in the marketplace.

"Only companies that have demonstrated high levels of customer service, proved their experience and attained advanced certification receive the designation of Microsoft Certified Partner," said Allison Watson, corporate vice president of **Worldwide Partner Group** at **Microsoft Corp.** "Today, **Microsoft** recognizes **BioMedix Vascular Solutions, Inc.** for its skills and expertise in providing customer satisfaction with **Microsoft** products and technology."

As one of the requirements for earning Certified Partner status, **BioMedix Vascular Solutions, Inc.** has declared a Microsoft Competency. Microsoft Competencies are designed to help differentiate a partner's capabilities with specific **Microsoft** technologies to customers looking for a particular type of solution.

Each competency has a unique set of requirements and benefits, formulated to accurately represent the specific skills and services that partners bring to the technology industry.

The ISV/Software Solutions Competency recognizes the skill and focus partners bring to a particular solution set. **Microsoft Gold Certified Partners** that have obtained this competency have a successful record of developing and marketing packed software based on **Microsoft** technologies.

"We are extremely pleased to have earned Certified Partner status in the Microsoft Partner Program. This allows us to clearly promote our expertise and relationship with **Microsoft** to our customers," said Scott Leum, Chief Software Technologist at **BioMedix Vascular Solutions, Inc.** "The benefits provided through our Certified Partner status will allow us to continue to enhance the offerings that we provide for customers."

The Microsoft Partner Program was launched in October 2003 and represents **Microsoft's** ongoing commitment to the success of partners worldwide. The program offers a single, integrated partnering framework that recognizes partner expertise, rewards the total impact that partners have in the technology marketplace, and delivers more value to help partners' businesses be successful.
